

HighPoint RAID Storage and HBA Product SSD Compatibility List

2016/08/21

This document was designed to serve as general reference for compatibility between HighPoint RocketRAID HBA's, RocketStor 6000 Series RAID Storage Enclosures, and specific internal SSDs described herein.

RAID Applications:

The disks included in this document are recommended for RAID configurations. Specific drive series may have special requirements or restrictions, which are provided under the Special Notice column.

Non-RAID Applications:

There are no specific limitations or restrictions for non-RAID applications.
