Once you are complete, click "Add Product Registration", then click "OK".

The interface will display a summary:

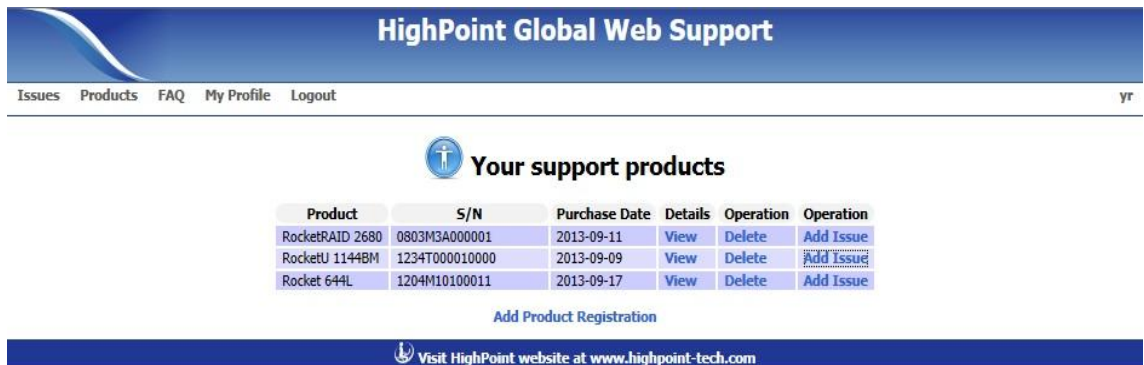

The screenshot shows the 'Product Registration' page in the HighPoint Global Web Support interface. The page has a blue header with the title 'HighPoint Global Web Support' and a navigation menu with 'Issues', 'Products', 'FAQ', 'My Profile', and 'Logout'. The user 'yr' is logged in. The main content area features a 'Product Registration' section with a pencil icon. Below this is a registration summary box containing the following details: Product Registration ID: 15706, Status: Active, Customer: yr, Reseller: Us (No Reseller), Product: Rocket 644L, S/N: 1204M10100011, and Purchase Date: 2013-09-17. An 'Edit Product Registration' link is provided below the summary. Underneath, it states 'Skills supported under this product registration: None / Unknown'. At the bottom, there is a footer with a globe icon and the text 'Visit HighPoint website at www.highpoint-tech.com'.

Note: You can edit any product entry by clicking “Edit Product Registration”.

Once the product is registered, click “Products” from the Account Menu; locate the product you just registered from your list, and click “Add Issue”.

2. Adding a Support Issue

The screenshot shows the 'Your support products' page in the HighPoint Global Web Support interface.
